TeamStaff Announces Appointment of Tim Nieman as President of TeamStaff Rx
Friday December 12, 10:11 am ET.

SOMERSET, N.J., Dec. 12 /PRNewswire-FirstCall/ -- TeamStaff, Inc. (Nasdaq: TSTF - - News), one of the nation's leading providers of healthcare staffing and specialty payroll services, today announced that Tim Nieman was appointed today as the President of its medical staffing division, TeamStaff Rx.

Mr. Nieman comes to TeamStaff Rx with over seventeen years of experience in the staffing industry. Prior to joining TeamStaff Rx, Mr. Nieman held positions in sales, operations, information technology and product development for Spherion and Norrell Services Corporation.

Commenting on Mr. Nieman's appointment, T. Kent Smith, TeamStaff's President and Chief Executive Officer, stated, "We are excited to have someone of Tim's caliber joining us to lead TeamStaff Rx. The sale of our PEO division last month provided us with the resources to focus on building our medical staffing division. We believe that the temporary medical staffing industry is about to undergo the same sea-change that the temporary technical and clerical staffing industry underwent a few years ago. Top-notch client service, integration and online vendor management tools will be the hallmark of those medical staffing service providers that want to be on the short list of vendors for hospitals and institutions nationwide. Tim has first-hand experience in this area, and has been instrumental over the past few months in helping TeamStaff Rx develop its Vendor Integration Program (VIP), which is designed to provide our clients with sophisticated systems and tools to manage their temporary medical staffing needs. Tim's broad knowledge and skill set make him ideally suited to oversee the future direction of our medical staffing division."

Mr. Smith continued, "Additionally, Tim's successful background in sales management through multiple channels and in multiple geographies will be invaluable as we rebuild and redirect our medical staffing sales organization. Tim brings a successful track record to TeamStaff Rx, and we expect that he will be an integral part of our new sales and marketing strategy. All in all, we believe TeamStaff Rx is in good hands."

Commenting on his appointment, Mr. Nieman stated, "I am excited by the opportunity to drive TeamStaff Rx's success as we enter into a new era of product development and growth. I am looking forward to working with a team of dedicated professionals who have delivered unparalleled service for many years. Together, we can move TeamStaff Rx forward."

Mr. Nieman assumes the role formerly held by Betsy Hoaglin. Mr. Smith stated, "TeamStaff Rx started with Betsy Hoaglin. She helped create the culture of world-class service that permeates the organization. We thank her for her many years of service."
